Avalon is the only manufacturer who truly puts their products to the ultimate test! The Atlantic Ocean, the Pacific Ocean, the Gulf of Mexico, the Caribbean Sea, Lake Superior, Lake Michigan, the Mississippi... need we say more?

Enjoy the details of all these great adventures at [www.avalonpontoons.com](http://www.avalonpontoons.com)
MORE THAN JUST A GREAT BOAT

- 2020 NMMA Innovation Award winner!
- 2019 Michigan Manufacturer of the Year!
- The only pontoon manufacturer to take multiple endurance trips across some of the most challenging waterways in the world!
- The FIRST ever pontoon boat to pace an offshore powerboat race. 2785 Excalibur ELW powered by Twin Mercury 450’s - Official Pace Boat of Roar Offshore Powerboat Races, October 2019!
- The first winner of the NMMA Innovation award for an aluminum pontoon boat!
- A perennial winner of the NMMA CSI Award!
- One of the few privately owned pontoon boat manufacturers that knows and respects our customers and dealers!
- One of the largest vertically integrated boat manufacturing facilities in the world!
Docklights built into walls are protected from impact and are not a trip hazard! Nose cone tips covered by deck are less prone to damage and are less dangerous than exposed.

Exclusive High-Quality Features

- **Exclusive side protector keel** – protects pontoon from side impact at docks, provides a spray diversion and makes pontoon structure stronger.
- **One-piece nose cone** has heavy-duty double-wrapped, double-thickness .200 leading edge.
- **Integrated nose cone splash fins** cannot be broken off. Fins have welded edge guard.
- **Plug-N-Play electrical connections**
- **Easy to clean, beautiful external wall.**
- **Avalon’s unique suspension seat cushions** provide soft comfortable cushions that don’t bottom out on a hard support surface.

You won’t have to deal with mildew or fungus with Avalon’s exclusive Flo Thru Ventilation™ Seating. Unlike plastic seating, our exclusive aluminum seat frames have external and internal air flow that dries out the seat compartments while moving and even when the boat is stored!

Our exclusive aluminum seat frames have 30 percent more storage than conventional plastic seat frames. Try putting all this in plastic seat storage!
Avalon’s exclusive Matrix 50 heavy-duty 50 oz. marine seat covering with a 24 percent substructure is tested strongest against tears and punctures.

- New Herringbone multi-directional stretch backing promotes quicker recovery
- Greater stitch strength
- Permaguard stain protection

Heavy-duty rub rail with rubber bumper.

Reflective wall stripe makes boat easier to see at night.

Solid frame includes double solid full risers and double bolted motor pod all connected with double bolted hat channel crossbeams plus bow and stern 250 U bars.

Heavy-duty, stylishly designed, seat frame cladding eliminates fabric covering and provides a vented, beautiful accent to Avalon’s Deco designs.

Heavy-duty deck corner protection.

Vertically Integrated

90% of Boat is Made In-house
LIFETIME LIMITED *
TRANSFERABLE STRUCTURAL WARRANTY

For non-commercial use, single engine equipped boats
(10 year limited nontransferable structural warranty for non-commercial use,
EXCLUDING TWIN ENGINE EQUIPPED BOATS)

LIFETIME WARRANTY INCLUDES: Pontoons, crossbeams, seat frames,
motor mounts, wood decking, and rail structure

10 Year Limited* Transferable bow to stern warranty on
all other components on your boat

* Warranty applies to 2021 model boats. See dealer for full warranty information
including limitations and exclusions.
